Kathy in on vacation until August 28 and my attorney, Peggy Livingston would also need to be on this call. If you want to wait until Kathy is back that's fine.

Subject
possibility of a short phone call
to discuss Richardson Flats next
week?

Hi All-

Following up on last week's flurry of activity on Richardson Flats NRDA (hoping to keep up the momentum), I'm wondering if there is any possibility that we can convene a short phone call sometime next week (August 28-Sept 1) to discuss the status of the EPA-UPCM Consent Decree, and coordination of any FWS concerns with that document? I would also be available this week if next week is bad, but we would be missing Kathy (she is out on vacation and will be returning the 28th, so maybe we should shoot for a little later in the week if possible)

my starting suggestion is Wednesday August 30 at 2:00.

please respond with your availability and any other questions or issues you might have about the meeting. I'm anticipating that since we will be

thanks-
Chris
